About Us

交流方式是在中国北京举办的有关模块合成器或者乐器交流的一个系列派对。在这个派对中大家对现在非常流行的模块合成器Modular Synth来进行使用以及技巧做最直接的交流和展示,每个参与的人在当天的活动中还会做一段现场表演。通过这种最直接的交流方式来促进模块合成器以及电子音乐的使用技术以及发展。

The Modular Commune is a series of events about Modular Synth and other electronic musical instruments based in Beijing, China. It is a platform for people to exchange ideas of sounds and techniques for modular synth and to showcase their unique sets while performing live on their own systems. Our mission is to introduce and spread the concept and technology of modular synth, and to deepen understanding of synthesis ideas and techniques for all - from beginner to expert.
